

# Interior Design 101: New ideas for classroom setup

## ASD Nest New School Year Kickoff, 2015

### LIGHTING & ACOUSTICS

- Consider lighting
- Dampen sound
- Manage adult volume

---

### LESSON AREAS

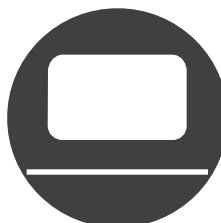

- Be thoughtful in set-up
- Create clear teaching spaces
- Display strategic references

---

### WALL REAL ESTATE

- Use calming colors
- Be visually consistent
- Display what *the students* need

## FURNITURE LAYOUT

- Remember: less is more!
- Use flexible layouts
- Keep materials accessible

---

## BREAK PROGRAMS

- Think about space
- Plan your tools
- Post visuals

---

## TEACHER SPACE

- Minimize overall impact
- Clarify expectations
- Use manageable systems

---

## TRAFFIC PATTERNS

- Plan student traffic
- Troubleshoot hot spots
- Plan location of materials
