NYU's doctoral programs in Educational Theatre prepare the next generation of arts professionals and researchers.

The EdD program appeals to arts professionals interested in practice as research. Scholarships available.

The PhD program appeals to researchers interested in a career in higher education. Full tuition and stipend for full-time study.

Why study Educational Theatre at NYU?

• Engage with leading educators and practitioners
  Immerse yourself in course work and conduct research with a world-renowned faculty in arts-based methods and practice as research.

• Get connected
  Our global partnerships with leading cultural houses and educational institutions provide unparalleled opportunities for scholarship and practice.

• Join our community
  Located in Greenwich Village, the hub of international arts happenings, our program is intimate and supportive within one of the largest and most innovative private research universities in the world.
