The SYSTEM program, a partnership of the Greenpoint YMCA and the Wallerstein Collaborative for Urban Environmental Education funded by ExxonMobil and Broadway Stages invites the general public to a Fall Garden day.

Here’s your chance to volunteer at your local garden. Take a garden tour, learn composting, clear out garbage, make bird feeders, and environmental stewardship. SYSTEM participants and NYU Environmental Conservation Education graduates will be leading the activities.

Meet at Lentol Garden on Graham Avenue. Activities begin at 12PM. Wear comfortable clothes. Coffee & hot chocolate will be served.

Date: SUNDAY, NOVEMBER 17
Time: 12–4 PM
In the: LENTOL GARDEN
(Entrances at Graham Avenue and Meeker Street)

RSVP TO: Danika Garcia
