Steinhardt Undergraduate Student Government’s Annual
Professional Development Reimbursement Application
Deadline: Friday, April 12th, 2013 at 5:00 PM

• A portion of the USG budget is set aside to support students in their professional development. Reimbursements are offered on a competitive basis to undergraduate students of good academic standing in the Steinhardt School of Culture, Education, and Human Development to help offset the cost of various professional activities related to their studies (i.e. attending professional conferences, research projects, art exhibits, musical performances, speaking engagements, etc.). Expenses for class related activities, certifications, and exams will not be reimbursed.

• Reimbursements are awarded on a need basis. Funds can be used toward conference fees, travel and accommodation expenses, and presentation supplies that have already been purchased. No personal expenses, food, or beverages will be covered. Please note that these reimbursements are competitive and that the application process does not guarantee that funds will be awarded. In some cases, partial reimbursements will be awarded.

• The Professional Development Reimbursement selection committee consists of all Steinhardt USG Executive Board members (on a necessary basis the Undergraduate Student Government advisor will be consulted). They will review each application and determine reimbursement amounts.

• Incomplete reimbursement applications will not be considered.

• It is the responsibility of the student to hand in proof of payment with application, including original receipts. Grants cannot and will not be awarded without original receipts. Receipts must be dated no earlier than May 2012.

• Grant recipients will be invited to and recognized at the Steinhardt Undergraduate Awards Gala on Monday, April 29th, 2012.
