Assessing Causal Mediation of the RRR Intervention on Sexual Risk Behavior Among Recently Released Female Prisoners

Donna Coffman, PhD
The Methodology Center
Pennsylvania State University

This presentation will describe new methods for drawing causal inferences about mediation processes. These methods will be used to estimate the effect of an intervention for reducing risky relationships on condom use as mediated by risky relationship thoughts and attitudes using the CJ-DATS data.

Friday, 02 December 2011
12:00pm – 2:00pm
Room 1109
