

1) I am funded now but will not have funding at the time of award. Am I eligible to apply to this award?

*Yes, provided the funding does not overlap with your current award you are eligible to apply.*

2) I am currently a student but will graduate during the award period. Am I eligible to apply for the Research/Creative Project Awards.

*No. You must be a registered student throughout the entire award year.*

3) I am a doctoral student but will have received my degree prior to the award. Am I eligible to apply for the Doctoral Travel Funds?

*No. You must be a current student during your funded travel and reimbursement period (all receipts must be filed prior to degree conferral).*

4) My Dissertation is not in the areas listed under the Mitchell Leaska Dissertation Research Award. Am I eligible to apply for the award?

*No. You must be in one of the supported doctoral programs to apply.*

5) I do not have a funding opportunity or funder selected to submit a grant proposal to but would like to apply to the Doctoral Fellowship Summer Development Award. Am I eligible?

*No. You must specify a funding agency or funder and due date in your proposal for the fellowship proposal summer development award.*

6) I am not a Steinhardt Student, am I eligible to apply for any of the awards

*No. We do not currently offer opportunities for students outside of the Steinhardt School.*

7) I'm a doctoral student interested in external funding; who can I contact to discuss the process of applying for these funds.

*Once you have identified a funding opportunity you should contact our office and someone will assist you in the proposal submission process.*
