Saturday, June 29: Arrival in London from New York City

Flights from USA to Great Britain for arrival on June 29th. Please email Philip and Ashley of your arrival details.

If arriving into Heathrow you can take the Underground Piccadilly Line to Russell Square Station and then walk ten minutes to the residence. You can also take the Heathrow Express (£18) to Paddington Station, and then take a taxi or transfer to the Underground (Hammersmith & City line) and get off at King’s Cross/St. Pancras and transfer to the Piccadilly Line to Russell Square. This may potentially save you twenty minutes time, but it is more expensive.

If coming from Gatwick must take the Gatwick Express (£16.90) to Victoria Station, then on to the Underground Victoria line to Green Park, transfer to the Piccadilly Line to Russell Square Station. Upon exiting the station, turn left and take the first left and head south down Herbrand Street. At the end of the street turn left again and head east along Guilford Street. Guilford House will be on your left at 74-76 Guilford Street – see attached map for further details.

Note: It is possible to get a black cab from Heathrow for about £60 and about £80 from Gatwick. It is very expensive and if there is traffic it will become much more so.

"Check in" begins at your Residence (Guilford House, 74-76 Guilford Street). Your individual apartment assignments will be given to you. All linen is provided in the bedrooms. Bring personal soap and wash cloths (towels are provided, though you may want to bring your own). Your housing fee covers bed only – no meals.

Upon arrival at Guilford House you will be given a Welcome Pack that will contain a lot of useful information about the local area. Other suggestions for after check-in: Go on line and review a copy of Time Out (a London weekly listing all arts, entertainment, educational, music and sports events; also online at
Note: Your Welcome Pack will also contain an Oyster Card that is your key to travel in London. The card gives you access to unlimited travel on London Transport (Zones 1 and 2) throughout the period from Saturday June 29th 2013 until Saturday July 20th 2013. This will mean that you will be able to travel around Central London free-of-charge for the duration of the program and to most of the visits. The only time you will travel beyond the boundaries of Central London’s Zones 1 & 2 travel areas is when the group needs to travel to Sidcup in Kent; here, a small surcharge fee will be required. Students are responsible for all top ups outside of Zone 2 (eg trips to Sidcup).

For further advice on how to use your Oyster card, please refer to the London Transport Guide.
