The Competitive Professional Development Reimbursement Fund

The CPDRF is a way for Steinhardt graduate students to expound their minds, education, professional development, and research. The Fund can be used to cover conference/workshop fees, professional development programs, travel and accommodation expenses, and presentation supplies. The Fund requires an application with a photo or narrative about the event and how you plan to use the knowledge in your career. Students can apply once per semester and selected students are reimbursed up to $250. For more information, click here. The Fall deadline is Friday, December 6th so apply today!

E-BOARD SPOTLIGHT

Lauren Gonzalez
President

Greetings Steinhardt! I am thrilled to be serving as your president this year! I am a second-year English Education Master's student in the Department of Teaching and Learning. My academic interests include finding effective strategies and resources for students of diverse/cultural backgrounds, particularly those in urban communities. A proud Miamian, and even prouder Cuban American, I am always on the hunt for authentic Cuban restaurants in the city. As GSO President, I am determined to continue implementing programs that benefit our graduate student body and the entire NYU community. I am confident this is will be a successful year filled with warmth and laughter! Please feel free to contact me with questions or suggestions for GSO. We got this, Steinhardt!
