Hi everyone! My name is Priya and I am a first-year Master’s student in the Human Development and Social Intervention program. I am currently doing research on suicide and depression among LGBT youth and hope to become a clinical psychologist some day. As your Publicity Co-Chair, my goal this year is to make sure that you stay informed of all the wonderful things going on in and around Steinhardt and NYU. Please feel free to contact me, or any of the other publicity chairs, if you have any questions, comments or concerns about GSO or anything else! And as your Newsletter editor, I hope you find these informative as well!
