The Competitive Professional Development Reimbursement Fund

The CPDRF is a way for Steinhardt graduate students to expound their minds, education, professional development, and research. The Fund can be used to cover conference/workshop fees, professional development programs, travel and accommodation expenses, and presentation supplies. The Fund requires an application as well as a photo or short narrative about the event, and how you plan to use the knowledge in your career. Students can apply for the fund once per semester and selected students can be reimbursed up to $250. For more information, click here.

The Spring deadline is Friday, May 3rd so apply today!
