Department of Nutrition, Food Studies, and Public Health
DIDACTIC PROGRAM IN NUTRITION AND DIETETICS (DPD) SEQUENCE MAP

NUTR-GE.2000 New Graduate Student Seminar (0 points)

PSYCH-UA.1
Introduction to Psychology
(4 points)*

NUTR-UE.119
Nutrition and Health
(3 points)

CHEM-UA.120
Introduction to Modern Chemistry
(5 points)

NUTR-UE.85
Introduction to Foods & Food Science
(3 points)

CHEM-UA.210
Organic Chemistry
(5 points)

NUTR-GE 2199
Nutrition Education
(3 points)**

NUTR-UE.1068
Introduction to Human Physiology
(4 points)

NUTR-UE.1184
Food Science & Technology
(3 points)

NUTR-UE.1064
Nutritional Biochemistry
(3 points)

NUTR-UE.1023
Food Microbiology & Sanitation
(3 points)

NUTR-UE.91
Food Management Theory
(3 points)

NUTR-UE.1020
Diet Assessment & Planning
(3 points)

NUTR-UE.1052
Food Production & Management
(3 points)

NUTR-UE.1064
Clinical Nutrition Assessment
(3 points)

NUTR-UE.1185
Food Management Theory
(3 points)

NUTR-UE.1260
Diet Assessment & Planning
(3 points)

NUTR-UE.1264
Clinical Nutrition Assessment
(3 points)

NUTR-GE.2190 Research Methods
(3 points)**
(Students MUST receive a grade of B or Higher for the Dietetic Internship)

*For Graduate Students only, an equivalent behavioral/social science course is also acceptable. **Graduate student courses. Solid arrows indicate pre-requisites. Broken lines indicate courses that may be taken concurrently as co-requisites, but not out of sequence. Do not take courses that have pre-requisites until you have completed the pre-requisites.
