September marks a new school year, sprinkled generously with energy, surprise, excitement and challenge.

We welcome new and returning undergraduate and graduate students to our community of scholars who are pursuing degrees in education, health, communications and the arts professions.

Student Matters will help you to stay well-informed, connected and actively involved. In it you will find references to policies and procedures that guide your studies; and, information on scholarships, services, activities, and events to further enhance your personal, career and professional development. Student Matters is published four times during the academic year.

Let us hear from you many times at steinhardt.studentmatters@nyu.edu. Check our Web site at www.steinhardt.nyu.edu/studentaffairs. Come by our office in Pless Hall, 2nd Floor.

Best wishes for a wonderful and productive year ahead.

PATRICIA M. CAREY
