

## Urban Ecology Summer Series

[www.nyu.edu/wallerstein](http://www.nyu.edu/wallerstein)

July 2008

**Join the Wallerstein Collaborative in July to learn about ecology in New York City!**

### **Wednesday, July 9**

Eco Tour with NYC Audubon

10:30am-12:00pm

Departing from South Street Seaport

*We will cruise the East River on a NYC Water Taxi, while learning about the birds of New York Harbor including Cormorants, Herons, and Peregrine Falcons!*

### **Thursday, July 10**

Snapshot Day Training with NYS DEC

10:00am-4:00pm

Location: West Side Pier TBA

*Led by Chris Bowser, Science Educator from the NYS Department of Environmental Conservation, this hands-on workshop will explain how and why we test water quality, and prepare teachers to participate with their classes in a day of water quality data collection in the fall. Space is limited and priority will be given to classroom teachers. Bring a brown bag lunch; drinks will be provided.*

### **Saturday, July 12**

Tour of NY Sunworks Science Barge

9:00am-12:00pm

Riverside Park (West 68th Street and the Hudson River)

*Visit the barge, a sustainable urban farm powered by solar, wind, and biofuels, and irrigated by rainwater and purified river water, to learn about growing food in the city with no carbon emissions, no net water consumption, and no waste stream.*

**All events are free and open to the public. Please RSVP to [kathleen.oliver@nyu.edu](mailto:kathleen.oliver@nyu.edu) by July 1 to reserve your spot—space is limited. Include your name, phone, affiliation, and event(s) attending. A confirmation will be forthcoming. All events are held rain or shine. Dress for the outdoors.**
