Instructions: Fill out and return three copies of this form to Associate Dean Patricia M. Carey, Office of Student Affairs, Pless Hall, 82 Washington Square East, 2nd Floor, New York, NY 10003 with the required signatures no later than March 6, 2009. Include three copies of the following items:

- Grant request, including a detailed and itemized budget (see reverse side)
- Statement of support from the faculty advisor for the project
- Applicant's curriculum vitae
- Copy of NYU transcript of graduate level courses.

Incomplete applications and applications submitted after the deadline will not be considered. Faculty and/or past recipients of the Dean's Grants for Graduate Student Research are ineligible for consideration.

In accepting a Dean's Grant for Graduate Student Research, I give NYUSteinhardt permission to publicize my abstract and research findings in an appropriate format. I further agree to report my research findings at the Dean's Grants to Support Student Research Colloquium during the Fall semester following completion of my research. I certify that I have not conducted my proposed research prior to June 1 of the year in which I will apply for the grant.

Student Signature	Date

Grant Award: Up to \$1,000
Grant Request Deadline: March 6, 2009

Matriculated masters and doctoral students in the Steinhardt School of Culture, Education and Human Development are invited to apply for a **Dean's Grant To Support Graduate Student Research**. Successful grant requests describe a faculty-sponsored independent research project OR a specific component of thesis or dissertation work, e.g, instrument development/validation or a pilot study. **Grants will not be awarded for thesis/dissertation data collection.**

Grant requests, due March 6, 2009, will be reviewed by a faculty committee. You will be notified of their decision by April 15th, 2009.

Proposed research

- Must be conducted between June 1, 2009 and June 2, 2010
- If it is research involving human subjects, it must adhere to NYU procedures for review and approval (see www.nyu.edu/ucaih/).

Grant recipients are expected to:

- Submit a written report by July 1, 2010, including an abstract of the report, the question under investigation, research methods used, results, conclusions, and how the monies from the Dean's Grant were used. Reports should be between 5 to 10 pages.
- Present their findings at the Dean's Grants to Support Student Research Colloquium in **mid-October** 2010.

The Grant request itself should be no more than five double-spaced pages. It should be stapled to the completed cover sheet (see other side), and include the following:

- Abstract (one paragraph summary of your proposal, separate from the body of the proposal), including title.
- Question or problem under investigation
- Plan of work, i.e., methods you plan to use or research design, including where relevant, instruments and measure to be used, availability of research participants, and confirmation of access to them.
- Anticipated results
- A time schedule and itemized budget for how the grant will be used, which may include purchase of necessary equipment, travel to conferences or collections, computer time, or any other reasonable and justified expense.
- Significance of your project or the expected benefit of your research
- How this research opportunity will contribute to your career and professional development
- Certification that you have not conducted the proposed research prior to June 1, 2009.
