☐ Cumulative GPA
☐ Major GPA

Applications are reviewed by the Undergraduate Committee to determine eligibility and project feasibility. Students will be notified in mid-May. Please be aware that submitting an application does not ensure acceptance into the Honors Program.

If accepted, students will register for the Honors course E63.1995 in the Fall and E63.1996 in the Spring of their senior year. To maintain Honors status and thus graduate with Departmental Honors, students must keep a cumulative and major GPA of at least 3.5, a grade of A in all Honors courses, and at least an A- in their Fieldwork courses.

I hereby verify that all information contained within this application is true and correct to the best of my knowledge.
