TEACHING AND ASSESSMENT

Professor, New York University, Department of Applied Psychology, 1979 - Present.
Served as Director of MA & PhD Programs.

Courses Taught:

- PhD Dissertation Mentorship
- MA Thesis Mentorship
- Practicum Supervision
- Intelligence & Achievement Testing
- Clinical Assessment
- Interpretation of Tests in Counseling
- Abnormal Psychology
- Abnormal Child Psychology
- Social Psychology
- Statistics
- Research Design
- Family Therapy
- Theories of Individual Counseling
- Developmental Psychology
- Personality Theories
- Group Dynamics
- Cross-Cultural Psychology
- Psychological History & Systems

Director, Graduate Psychology Program: Cross-Cultural Group Dynamics in Stressful Environments, NYU Tel Aviv, Summer Sessions 2009 – present.

Research Fellow, Global Research Initiative. Cross-Cultural Conflict Management, Tel Aviv University, 2013 -2014.

Consulting Assessment Expert for special diagnostics. Veritas Therapeutic Community, New York City, 1996 - 2006.

Director of In-service Education & Consultant in Quality Assurance and Diagnostics, Addictive Disease Hospital, Psychiatry Department, State University of New York, 1982 - 1996.

Assessment Consultant for special diagnostics with acting out youngsters. Jewish Board of Guardians, 1987-1990; Addiction Research and Treatment Corporation, 1991-1993.

Statistical Design Consultant, Psychometric consultation, Public and Private Sector, Research and Data Analysis, 1977-Present.

Diagnostics Consultant, New York Childhood Center, 1984-1985. EIS Early Childhood and Remediation Center, 1987-Present. Chair intervention team meetings of Special Educators and Therapists for handicapped and disturbed children with multiple diagnoses.

Director, Personality Research Laboratory, Psychology Honors Program, Brooklyn College, 1978-1984. Supervised and planned individual honors research work, from conceptualization through problem formulation, design, data collection and analysis, and manuscript completion.

Research Psychologist, Psychiatry Department, New York Hospital Cornell Medical Center, 1981-1982. Studies on treatment evaluation, medication effects, and schizophrenia disposition. Instrument design and clinical validation.

Research Fellow, NIMH Sponsorship, Downstate Medical Center, Psychiatry Department, 1977-1981. Specialty: Assessment and Diagnostics.

PROFESSIONAL MEMBERSHIP

American Psychological Association

Clinical Psychology, Psychoanalysis, Counseling Psychology Divisions

Association for Psychological Science

PUBLICATIONS AND RESEARCH

Have published extensively in the areas of psychometrics, psychological assessment, and cross-cultural psychology.

Conducted large scale studies, funded by various agencies and sponsors, in diagnostics, treatment planning, assessment, and child development.

Serve as Consulting Editor to a number of Professional Psychology Journals.

PROFESSIONAL LICENSES AND CERTIFICATES

Certificate, New York State Division of Substance Abuse, Training in Assessment and Symptomatology, 1982.

Post-Doctoral Clinical Certification, Downstate Medical Center, Psychiatry Department, 1981, Diagnostics and Differential Treatment Planning.

New York State Licensure in Clinical Psychology, 1980.

Certificate in Crisis Counseling, Crisis Service of Erie County, 1976.

Certificate in Gestalt Therapy and Transactional Analysis. University Therapy Workshops, SUNY at Buffalo, 1975.

EDUCATION AND TRAINING

Post Doctoral Training in Clinical Psycho-diagnostics, Downstate Medical Center, Department of Psychiatry, 1977-1981.

Ph.D. in Clinical Psychology, SUNY at Buffalo, 1973-1979. Included supervised individual and child therapy, and assessment batteries.

Trained in Diagnostics and Assessment (SADS), New York Psychiatric Institute, Columbia Presbyterian Hospital, 1977.

Psychology Internship, Jewish Board of Guardian, 1976-1977. Supervised training in child and family therapy. Included assessment training and caseload at residential facility for children.

Graduate Assistant, SUNY at Buffalo, 1975-1976, Teaching and Supervision.

B.S. in Psychology, Magna Cum Laude, Brooklyn College, 1973.
