

NYU Steinhardt

Steinhardt School of Culture, Education, and Human Development

DEPARTMENT OF APPLIED PSYCHOLOGY

Psychology and Social Intervention | Ph.D.

Unique doctoral program prepares scientists to study and transform social settings.

- Coursework focuses on families, small groups, schools, communities, and neighborhoods at local, national, and international levels
- Students receive intensive training in systems theory, policy formation, and social change and learn to evaluate intervention programs and public policy
- Faculty-led applied research teams
- Closely supervised practica
- Candidates examine such issues as school readiness and success, HIV and health behaviors, mental health, and housing and homelessness
- Doctoral fellowships and assistantships available.
