## **Scaffolding Through Literacy for English Language Learners (ELLs)—Grades 3-8**

**Tuesday, April 4, 2017 @ NYU**  
**12:00 noon – 3:00 pm**

### **Overview**

By the end of this Professional Development Session, participants will understand the definition of scaffolding, and its varied implications in classroom instruction for ELLs. They will be afforded the opportunity to work in small groups to explore a series of scaffolding strategies designed for language development, deep conceptual understanding of quality teaching for ELLs, and much more. Participants will also have the opportunity to develop a lesson plan through the use of scaffolding for their ELLs. (Please come prepared to develop a lesson plan).

### **Audience**

(Grades 3-8) ENL, bilingual teachers as well as integrated ENL teachers in Co-Teaching classrooms.

**SPACE IS LIMITED TO 35 PARTICIPANTS.**
