Elementary School Level

Mathematics Glossary

English | Nepali

Translation of Mathematics Terms Based on the Coursework for Mathematics Grades 3 to 5.

This glossary is to PROVIDE PERMITTED TESTING ACCOMMODATIONS of ELL/MLL students. It should also be used for INSTRUCTION during the school year. The glossary may be downloaded, printed and disseminated to educators, parents and ELLs/MLLs.

Please click here for the New York State Office of Bilingual Education and World Languages Webpage on "Assessment and Testing Accommodations"
