PRESENTS

Math Best Practices: Designing & Delivering Effective Lessons for English Language Learners Grades 3 to 5

Friday, November 2, 2018

9:00 am – 2:20 pm

@New York University

SPACE IS LIMITED: 20 PARTICIPANTS

OVERVIEW

During this Professional Development session, the participants will have the opportunity to discuss research-based practices and the differing strengths (prior knowledge) that English Language Learners (ELLs) bring into the math classrooms. Moreover, participants will have the opportunity to work in group to design and reflect on effective math lessons embedding language development, conceptual understanding, and real-life applications in order to maximize learning.

AUDIENCE

Mathematics Teachers of ELLs (Grades 3 to 5): Mainstream, Bilingual Educators (Transitional Bilingual and Dual Language Teachers) and Integrated ENL Teachers in Co-Teaching Model Classrooms).
