

E-BOARD SPOTLIGHT

Lauren Mace

Alternate Senator

Hi everyone! I'm Lauren Mace your GSO Alternate Senator. One of the aspects that excites me most about my role is being a voice for both the celebrations and concerns that Steinhardt students have about NYU as a learning community. I enjoy bringing broader information about University happenings to our school, and facilitating interactions among our students. One of my priorities as a board member is ensuring that our activities are relevant to students from all walks of life- part-time and working students as well as full-time students. In my free time, I enjoy practicing new languages, reading, writing, and collaging. Feel free to reach out to our board if you have ideas about how to improve our student government or NYU as a whole. Thanks for reading and enjoy your holidays!
