Instructions: When you are nearing completion of your MM thesis, you should complete this form. Fill in the student information box above; submit the form along with two copies of your thesis to your department, and your department will assign your Sponsor and Second Reader. Your department will keep a copy of this form and your thesis in your student record. An additional copy of this form will be sent to the University Registrar (Graduation Services) to inform them of the successful completion of your thesis requirement and so that they may title your thesis on your transcript. Therefore, **you must type the title into the box below or you may type it on a blank page then cut and paste/tape/staple it below.**

Please consult your department for **filing deadlines** for Master's Theses.
