VUE ART COMPETITION

AGE: 19 AND UNDER
OPEN TO: CURRENT STUDENTS
MEDIUM: DRAWING OR PAINTING
THEME: WHAT DOES INTEGRATION MEAN FOR ME?

We invite interested students to submit their art to be considered for our 50th issue of Voices in Urban Education (VUE).

This is an awesome opportunity for student artists looking to showcase their creative skills. The journal VUE (at NYU Metro Center) is seeking a talented student to design themed posters based on the theme: integration. Entries will be judged by a select group of jurors on the VUE Editorial Board on their execution of the theme, artistic merit, design, originality, technical excellence, and content.

The winner of this competition will receive a $150 reward and will have their poster included as the cover art for the 50th issue of VUE. Additional awards of $50 will be given to artists whose art is included in this issue. We anticipate including approximately six drawings in addition to the cover art inside the 50th issue.

Voices in Urban Education (VUE) is a journal that brings together a wide range of individuals who are impacted by and impact education. Each issue considers a specific topic related to education.
