Hey Steinhardt Grads!

I would like to wish you all an awesome and productive year. My name is Rasheda and I am a 2nd year student in the Human Development and Social Intervention Master's program. I do a multitude of traveling and community service throughout the world, as both are dear to my heart. I always say that "no goal is ever accomplished unless it is endeavored", and thus encourage you to take advantage of the multitude of opportunities that NYU has to offer. As President, my goal for this year is to provide you all with fun socials, enlightening service projects, funding opportunities and social support. I am also involved with several other NYU schools, programs, and offices so please feel free to chat me up at an event or stop by the GSO office during my office hours for information or advice.
