

CURRICULUM VITAE

MARILYN MOFFAT

Ludlam Lane
Locust Valley, New York 11560
(516) 671-1002

Doctor of Physical Therapy Program, Steinhardt School of Culture, Education and Human Development, New York University

EDUCATION

Philadelphia College of Health Sciences, Philadelphia PA; Doctor of Science (DSc) – honorary; 2009
Massachusetts General Hospital Institute of Health Professions, Boston MA; Doctor of Physical Therapy; DPT 2006
New York University, New York, NY 1967-73: Major in Health/Physiology: PhD (Founders Day Scholar) 1973
New York University, New York, NY 1963-64: Major in Physical Therapy: MA 1964
New York University, New York, NY 1962-63: Major in Physical Therapy: Certificate in Physical Therapy 1963
Queens College, New York, NY 1958-62: Major in Physical Education, Minor in Education: BS 1962

LICENSURE INFORMATION / REGISTRATION NUMBER

Licensed in New York State #002006-1

CERTIFICATIONS

Certified Basic Life Support (BLS)
Certified Advanced Cardiac Life Support (ACLS)
Certified Strength Conditioning Specialist (CSCS)
Certified Exercise Expert for Aging Adults (CEEAA)
Emergency First Aid
Geriatric Clinical Specialist (2012)

EMPLOYMENT POSITIONS HELD

New York University, Department of Physical Therapy 1967-present
Full Professor 1982-present
Associate Professor 1975-82
Assistant Professor 1972-75
Part-time Instructor 1967-72
Private Physical Therapy Practice 1965-present
Physical Therapist, New York City Police Department 1980-1985
Physical Therapist Consultant, In-service Education Slide Production, Lumex Inc 1980-1981
NYS Department of Education 1977-87
Consultant, Peer Review Panels 1987-87
Coordinator, Physical Therapy Oral/Practical Examination 1980-87
Board Member, State Board for Physical Therapy 1977-87
Physical Therapy Consultant, Professional Examination Service 1976-1983
University of Delaware 1975-1984 Adjunct Faculty
Editor, *Physical Therapy*, Journal of the American Physical Therapy Association 1968-1970

Technical Advisor, SRS Grant Supported Programmed Anatomy Project 1968-1970
 New York University, Department of Health Education 1968-1970
 Assistant Director, Grant Supported Critical Health Issues Program
 Queens College 1967
 Instructor
 Co-Director, Institute for the Development of Human Resources: Community Program for
 Handicapped Children
 Technical Advisor and Script Writer, VRA Grant Supported Project for 34 Single Concept Films
 1965-1971
 Institute of Rehabilitation Medicine 1963-1971
 Unit Supervisor - Special Projects
 Unit Supervisor - Pulmonary Rehabilitation Service
 Unit Supervisor - Pediatric Service
 Senior Physical Therapist
 Staff Physical Therapist

SCHOLARLY ACTIVITY - PEER REVIEWED PUBLICATIONS

- Ramsey KL, Moffat M, Manning JM. A comparison of Pilates mat and Swiss ball exercise training on trunk endurance and lower extremity strength in older women. *Phys Ther.* (Submitted for Publication)
- Pozzi F, Moffat M, Gutierrez GM. Effects of ankle instability and local muscle fatigue on neuromuscular control during performance of a dynamic balance task. *Phys Ther in Sport.* 2012 (Submitted for Publication)
- Schmid S, Moffat M, Gutierrez GM. Effects of cooling on ground reaction forces, knee kinematics and jump height in drop jumps. *Athletic Training Sports Health Care.* 2012. doi:10.3928/19425864

- Moffat M. Will the legacy of the past provide us with a legacy of the future. *Phys Ther*. 1994;74(11):1063-1066.
- Moffat M. Reform. *Phys Ther*. 1994;74(11):1067-1070.
- Ling W, Moffat M, Nelson A: The influence of tactile vs vestibular stimulation on spastic CP children. *Phys Ther*: 66, 1986.
- Pavone E, Moffat M: Peak torque of the quadriceps femoris after concentric, eccentric and isometric training. *Arch Phys Med*. 1985;66(3):168-70.
- Moffat M: The role of the educator in making physical therapy an essential service. *Phys Ther Educ*, Winter 1978.
- Moffat M: Let's reduce the understanding gap. *Phys Ther*, 1974;54(4):379-382.

SCHOLARLY ACTIVITY-PEER REVIEWED POSTER/PLATFORM PRESENTATIONS

- Schmid S, Moffat M, Gutierrez GM. Effect of knee joint cooling on the electromyographic activity and ground reaction forces of lower extremity muscles during a plyometric exercise. Poster Presented at the Swiss Physiotherapy Congress, Basel, Switzerland, May 10-11, 2012.
- Pozzi F, Gutierrez GM, Moffat M. Biomechanical and EMG analysis of toe and heel landing during stepping down in ongoing gait. Poster Presented at the APTA Combined Sections Meeting, Chicago IL, February 9-11, 2012.
- Schmid S, Moffat M, Gutierrez GM. Effect of knee joint cooling on the electromyographic activity of lower extremity muscles during a plyometric exercise. Poster Presented at the World Confederation for Physical Therapy Congress, Amsterdam The Netherlands, June 20-23, 2011.
- Ling WK, Moffat M, Batavia M. Influence of a specialized curriculum on the career choices of a doctor of physical therapy program graduates. Poster Presented at Annual Conference and Exposition American Physical Therapy Association, National Harbor MD, June 8-11, 2011.
- Pozzi F, Gutierrez GM, Moffat M. Biomechanical analysis of stepping down in continuous gait following ankle evertor fatigue: a pilot study. Poster Presented at Annual Meeting American Society of Biomechanics, Providence RI, August 18-21, 2010.
- Feldman S, Moffat M. Cardiorespiratory responses of individuals with cervical and thoracic spinal cord injury (sci) during upper and lower extremity exercise. Platform Presentation at 2007 Congress Meeting of the World Confederation for Physical Therapy, Vancouver BC, June 2007.
- Kim K, Moffat M, Ho B. Effect of external rotator muscle strengthening with free weights vs. free weights and shoulder horn. Special Interest Report Platform Presentation at the 14th International World Confederation for Physical Therapy Congress, Barcelona Spain, June 2003.

- Cabral B, Moffat M. Cardiovascular/pulmonary and temporal-spatial analyses of wheelchair propulsion using upper and lower extremities. Platform Presentation at 2003 Annual Conference of the American Physical Therapy Association, Washington DC, June 2003.
- Chen B, McDonough AL, Moffat M. The relationship between 10-meter walk test, 2 x 5-meter walk test with 180 degree turn, the Tinetti gait and balance test, and frequency of falling among elderly individuals. Research Section Poster Presentation at the APTA Combined Sections Meeting, San Antonio TX, February 17, 2001.
- Tsai YS, Moffat M. The effects of platform shoes on foot pressure in women. Research Section Poster Presentation at the APTA Combined Sections Meeting, San Antonio TX, February 17, 2001.
- Leithead I, Moffat M. The effect of repeated loading of the lumbar spine in its extremes of range of motion on the strength of peripheral muscles of the lower extremity - Clinical & Research Papers Workshop Presentation at the McKenzie North American Conference, Summer 2000.
- Ling W, Moffat M Graduates of a professional physical therapy educational program. Poster Presentation at the APTA Combined Section's Meeting, New Orleans LA, February 1999.
- Moffat M, Zuccaro T. Postural sway performance on the Smart Balance Master: a comparison of healthy elderly males and females. Poster Presentation at the APTA Combined Sections Meeting, Boston MA, February 1998.
- Tung HMT, Moffat M, Nelson AJ. Developing specific knee control training programs: an experimental investigation on the power generation pattern of the quadriceps femoris muscle in healthy subjects. Poster Presentation at the APTA Scientific Meeting & Exposition, Minneapolis MN, June 1996.
- Katz J, Stokes T, Hoeberlein T, Moffat M. Inter and intrarater reliability of the isomed unilevel inclinometer and the universal goniometer during lower extremity joint range of motion measurements: a pilot study. Research Presentation at the Fourth Annual Research Conference Center for Interdisciplinary Research of SUNY Health Science Center at Brooklyn, Brooklyn NY, November 15, 1995.
- Li T-L, Moffat M. Biomechanical analysis of the sit to stand movement under different initial foot positions. Poster Presentation at the World Confederation of Physical Therapy Congress, Washington DC, June 1995.
- Abitante S, Moffat M, McDonough A. The relationship of the angle of the lateral ligaments and the inherent stability of the ankle joint. Poster Presentation at the New York Chapter APTA Annual Conference, June 1985.
- Lee SJ, Nelson A, Moffat, Wughalter E. Consistency of the proportional duration of selected hip, knee, and ankle kinematic events during human walking at varying cadences. Research Presentation at the Asian Confederation of Physical Therapy Conference, Taipei Taiwan, September 20, 1993.

SCHOLARLY ACTIVITY - BOOKS

- Moffat M (ed). *Musculoskeletal Essentials: Applying the Preferred Physical Therapist Practice Patterns*. Thorofare NJ: Slack Incorporated, Korean Translation, 2012.
- Moffat M (ed). *Neuromuscular Essentials: Applying the Preferred Physical Therapist Practice Patterns*. Thorofare NJ: Slack Incorporated, Korean Translation, 2011.

"Moving the Professions Forward Toward a Healthier Lifestyle" - Physical Therapy Annual Conference, Santiago, Dominican Republic – February 23, 2013

"WCPT: Moving the Profession Forward: Towards a Healthier Lifestyle" – Keynote Address – Annual Conference Mexican Physical Therapy Association, Queretaro Mexico – November 15, 2012

"Challenges Facing the Profession" - Annual Conference Mexican Physical Therapy Association, Queretaro Mexico – November 16, 2012

"WCPT: Why International Policies on Education Are Important – Making a Difference Globally" – European Region Educational Conference – Vienna Austria – November 8, 2012

"WCPT's International Role" – South American Region WCPT – Isla Margarita Venezuela - September 6, 2012.

"Collaborative Practice" – World Health Professions Alliance Leadership Forum – Geneva Switzerland, May 20, 2012.

"WCPT's Strategic Plan" – Pre-General Meeting Workshop – European Region World Confederation for Physical Therapy – San Georg, Malta – May 16, 2012.

"Moving the Profession Forward: Towards a Healthier Lifestyle" – Webcast Presentation – Australian Physiotherapy Association, Hawthorn BC, Victoria – May 16, 2012.

"Combating the Major Life-style Related Health Issues Facing Us" – Keynote Address, Community Project for Health Promotion for the Elderly Ceremony, Terceira Island, Azores – January 14, 2012.

"Evidence-based Practice for Cardiovascular/Pulmonary Disorders" – Annual Conference Association of Physiotherapists of Brazil, Florianopolous Brazil – October 10, 2012.

"WCPT's International Role" – Panel Discussion - Annual Conference Association of Physiotherapists of Brazil, Florianopolous Brazil – October 9, 2012.

- “Celebrating 60 Years of Moving the Profession Forward” – Keynote Address, Annual Conference Association of Physiotherapists of Brazil, Florianopolous Brazil – October 9, 2012.
- “Moving the Profession Forward Around the World” – Keynote Address, 8th International Congress of the Order of Physiotherapists in Lebanon, Beirut, Lebanon – September 17, 2011.
- “Evidence-Based Exercise Prescription – Are We Pushing Hard Enough” – 8th International Congress of the Order of Physiotherapists in Lebanon, Beirut, Lebanon – September 17, 2011.
- “Evidence-Based Exercise Prescription: Raising the Standard of Delivery” – Introduction and Overview WCPT Policies - Chair Expert Panel, Amsterdam Netherlands, June 21, 2011.
- “Celebrating WCPT’s 60th Anniversary” – Opening Ceremonies Address, World Physical Therapy 2011, Amsterdam, The Netherlands, June 20, 2011.
- “Broadening Our Horizons” – Presidential Address, General Meeting World Confederation for Physical Therapy, Amsterdam, The Netherlands, June 18, 2011.
- “Higher Entry Level Degrees in Physiotherapy Will Lead to Better Patient Care” – Australian Physiotherapy Association – Gold Coast, Australia – October 30, 2010.
- “Meeting the Needs of the Profession as Demographics Change” – Keynote, Australian Physiotherapy Association – Gold Coast, Australia – October 29, 2010.
- “Moving the Profession Forward Around the World” – Keynote, Irish Society of Chartered Physiotherapists – Limerick, Ireland – October 13, 2010.
- “Are We Meeting the Challenges” – Irish Society of Chartered Physiotherapists – Limerick, Ireland – October 13, 2010.
- “Age-Defying Fitness” – Irish Society of Chartered Physiotherapists – Limerick, Ireland – October 12, 2010.
- “Moving the Profession Forward Around the World” – Keynote, Taiwan Physical Therapy Association Meeting – Taichung, Taiwan – September 26, 2010.
- “Moving the Profession Forward Around the World” – Keynote, South America Region Meeting World Confederation for Physical Therapy – Santiago, Chile – August 19, 2010.
- “Physical Therapists as Exercise Experts with Aging Adults” – Africa Region Meeting World Confederation for Physical Therapy – Ghana, Africa – July 22, 2010.
- “Moving the Profession Forward Around the World” – Keynote, Africa Region Meeting World Confederation for Physical Therapy – Ghana, Africa – July 22, 2010.
- “Moving the Profession Forward Around the World” – Keynote, European Region Meeting World Confederation for Physical Therapy – Berlin, Germany, May 27, 2010.
- “Direct Access” – Europe Region Meeting World Confederation for Physical Therapy – Berlin, Germany, May 26, 2010.
- “The Challenges Confronting Physiotherapy: Advancing the Profession around the World” – Keynote, Swiss Physiotherapy Association Meeting – Basel Switzerland, May 7, 2010.
- “The Challenges Confronting Physiotherapy: Advancing the Profession around the World” – Keynote, Bermuda Physiotherapy Association Meeting – Bermuda, September 17, 2009.
- “The Challenges Confronting Physiotherapy: Advancing the Profession around the World” – Keynote, Philippine Physiotherapy Association Meeting – Manila Philippines, September 13, 2009 (via video telecast).
- “Evidence-based Exercise Prescription for Special Populations” – Singapore Physiotherapy Association Meeting – Singapore, May 17, 2009.
- “The Challenges Confronting Physiotherapy: Advancing the Profession around the World” – Keynote, Singapore Physiotherapy Association Meeting – Singapore, May 16, 2009.
- “Global Perspectives of Physiotherapy Education” - Singapore Physiotherapy Association Meeting – Singapore, May 16, 2009.
- “The Challenges Confronting Physiotherapy: Advancing the Profession around the World” – Keynote, Bahrain Physical Therapy Association Meeting – Bahrain, April 20, 2009.

- “The Challenges Confronting Physiotherapy: Advancing the Profession Around the World” – Keynote, Malaysian Physiotherapy Association Meeting – Kuala Lumpur, Malaysia, March 23, 2009.
- “Evidence-based Exercise Interventions for Cardiovascular/Pulmonary Disorders” – Columbian Physiotherapy Association Meeting – Bogotá, Columbia, March 12, 2009.
- “Evidence-based Exercise Interventions for Neuromuscular and Endocrine Disorders” – Columbian Physiotherapy Association Meeting – Bogotá Columbia, March 12, 2009.
- “The Challenges Confronting Physiotherapy: Advancing the Profession around the World” – Keynote, Columbian Physiotherapy Association Meeting – Bogotá Columbia, March 11, 2009.
- “Evidence-based Exercise Interventions for Musculoskeletal Disorders” – Columbian Physiotherapy Association Meeting – Bogotá Columbia, March 11, 2009.
- “The Challenges Confronting Physiotherapy: Advancing the Profession Around the World” – Keynote, Asian Region Meeting of the World Confederation for Physical Therapy – Mumbai, India, January 22, 2009.
- “Building Bone Health Into Your Practice: Osteoporosis Functional Examination and Exercise Prescription” – Keynote, Egyptian Syndicate of Physiotherapy Meeting – Cairo, Egypt, January 9, 2009.
- “The Challenges Confronting Physiotherapy: Advancing the Profession Around the World” – Keynote, Egyptian Syndicate of Physiotherapy Meeting – Cairo, Egypt, January 9, 2009.
- “The Challenges Confronting Physiotherapy: Advancing the Profession Around the World” – Keynote, Korean Physical Therapy Association Meeting – Daegu, Korea, October 12, 2008.
- “The Challenges Confronting Physiotherapy: Advancing the Profession Around the World” – Keynote, Africa Region Meeting of WCPT – Abuja, Nigeria, August 21, 2008.
- “The Challenges Confronting WCPT” – Nordic Physiotherapy Meeting, Helsinki, Finland, April 4, 2008.
- “The Challenges Confronting Physiotherapy: Advancing the Profession around the World” – Nordic Physiotherapy Meeting, Helsinki, Finland, April 3, 2008.
- “How the World Confederation for Physical Therapy is Advancing the Profession around the World” – 17th Brazilian Physiotherapy Conference, Sao Paulo, Brazil, October 10, 2007.
- “Debate: Scope of Practice: Physical Therapy Must Get Back to its Roots and Focus on its Core Expertise” – World Confederation for Physical Therapy Congress Meeting, Vancouver BC, June 5, 2007.
- “Braving New Worlds – To Conquer, to Endure” – Keynote to the New Zealand Society of Physiotherapists, Auckland, New Zealand, May 21, 2006.
- “Braving New Worlds – To Conquer, to Endure” – Keynote to the Chartered Society of Physiotherapists, Birmingham, England, October 8, 2005.
- “Technology in Physical Therapy” – Keynote, Asian Confederation of Physical Therapy, Bangkok, Thailand, November 18, 2002.
- “The History of US Physical Therapy Education” – Joint International Physiotherapy Conference of the World Confederation of Physical Therapy/Asian Western Pacific Region and the Asian Confederation of Physical Therapy, Kuala Lumpur, Malaysia, August 17, 1996.
- “The Evolution of Doctoral Education” – Faculty of Health Sciences, National University of Taiwan, Taipei, Taiwan, August 12, 1996.
- “Toast from the Guests” – 100th Anniversary Meeting of the Chartered Society of Physiotherapists, Birmingham, England, September 22, 1994.
- “World Trends in Physical Therapy” – Keynote, Asian Confederation of Physical Therapy, Taipei, Taiwan, September 18-21, 1993.
- “Recent Advances in Stroke Rehabilitation” – Sawadi Skulkai Lecture Award, Mahidol University, Bangkok, Thailand, August 1985.

CONTINUING EDUCATION COURSES CONDUCTED – UNITED STATES

- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Examination" – Part I of 3 Part Series for Section on Geriatrics – Chicago IL – May 18-19, 2013.
- CE - "Physical Therapy Management of the Person with Osteoporosis: Building Bone Health Into Your Practice" – Brooklyn/Staten Island District, New York Physical Therapy Association – Brooklyn NY – April 7, 2013.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Exercise Prescription" – Part 2 of 3 Part Series for Section on Geriatrics – Auburn WA – February 2-3, 2013.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Exercise Prescription" – Part 2 of 3 Part Series for Section on Geriatrics - Minneapolis MN – Dec 1-2, 2012.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Examination" – Part I of 3 Part Series for Section on Geriatrics – Seattle WA – October 27-28, 2012.
- CE - "Building Bone Health Into Your Practice: Osteoporosis Functional Examination and Exercise Prescription" – New York Physical Therapy Association Meeting – Rochester NY – October 19, 2012.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Examination and Exercise Prescription" – Wyoming Physical Therapy Association, Casper WY – October 6, 2012.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Special Populations, Nutrition, Meds, Complementary Exercises" – Part 3 of 3 Part Series for Section on Geriatrics – Kansas City KS – September 22-23, 2012.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Exercise Prescription" – Part 2 of 3 Part Series for Section on Geriatrics – Kansas City KS – Aug 11-12, 2012.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Examination" – Part I of 3 Part Series for Section on Geriatrics – Kansas City KS – July 7-8, 2012.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Examination" – Part I of 3 Part Series for Section on Geriatrics – Minneapolis MN – June 23-24, 2012.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Exercise Prescription" – Part 2 of 3 Part Series for Section on Geriatrics – Cherry Hill NJ – April 21-22, 2012.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Examination" – Part I of 3 Part Series for Section on Geriatrics – Cherry Hill NJ – March 24-25, 2012.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Special Populations, Nutrition, Meds, Complementary Exercises" – Part 3 of 3 Part Series for Section on Geriatrics – Ft Lauderdale FL – November 12-13, 2011.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Examination and Exercise Prescription" – Regal Heights Rehabilitation and Health Center, Jackson Heights NY – October 22, 2011.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Special Populations, Nutrition, Meds, Complementary Exercises" – Part 3 of 3 Part Series for Section on Geriatrics – San Marcos TX – May 28-29, 2011.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Special Populations, Nutrition, Meds, Complementary Exercises" – Part 3 of 3 Part Series for Section on Geriatrics – Des Moines IA – May 14-15, 2011.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Examination" – Part I of 3 Part Series for Section on Geriatrics – Ft Lauderdale FL – April 30-May 1, 2011.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Exercise Prescription" – Part 2 of 3 Part Series for Section on Geriatrics – Des Moines IA – March 19-20, 2011.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Exercise Prescription" – Part 2 of 3 Part Series for Section on Geriatrics – San Marcos TX – March 12-13, 2011.

- CE - "Building Bone Health Into Your Practice: Osteoporosis Functional Examination and Exercise Prescription" – APTA Combined Sections Meeting – New Orleans LA – February 11, 2011.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Examination" – Part I of 3 Part Series for Section on Geriatrics – San Marcos TX – January 15-16, 2011.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Examination and Exercise Prescription" – APTA Combined Sections Meeting, New Orleans LA – January 9, 2011.
- CE - "Low Cost, High Returns; Low Tech, Huge Rewards! Examination and Focused Interventions" – Private Practice Section, APTA Annual Meeting – Washington DC – November 3, 2010.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Examination" – Part I of 3 Part Series for Section on Geriatrics – Des Moines Iowa – October 23-24, 2010.
- CE - "Physical Therapists as Exercise Experts for Aging Adults: Evidence-based Examination and Exercise Prescription" – NY/NJ Physical Therapy Associations Annual Conference – Atlantic City NJ – October 16, 2010.
