3-8 The Early Learning Framework (ELA) is the English Language Arts (ELA) framework for Pre-K through 3-8. The framework is designed to help educators ensure that all students are prepared for success in college and career.

The Every Student Succeeds Act (ESSA) requires states to develop assessments that are aligned with the ELA framework. The New York State Education Department (NYSED) has developed a series of assessments that are aligned with the ELA framework. These assessments include the ELA Regents Exam, the ELA Alternate Assessment, and the ELA Computer-Based Test (CBT).

1. ELA Framework:
   - ELA is designed to help students develop the skills they need to succeed in college and career.
   - The framework includes standards that are aligned with the Common Core State Standards.

2. ELA Assessment:
   - The framework includes a series of assessments that are aligned with the ELA framework.
   - The assessments include the ELA Regents Exam, the ELA Alternate Assessment, and the ELA Computer-Based Test (CBT).

3. Framework and Assessment:
   - The framework and assessments are designed to help students develop the skills they need to succeed in college and career.
   - The assessments include a series of tests that are aligned with the ELA framework.

4. Framework and Assessment:
   - The framework and assessments are designed to help students develop the skills they need to succeed in college and career.
   - The assessments include a series of tests that are aligned with the ELA framework.

5. Framework and Assessment:
   - The framework and assessments are designed to help students develop the skills they need to succeed in college and career.
   - The assessments include a series of tests that are aligned with the ELA framework.

6. Framework and Assessment:
   - The framework and assessments are designed to help students develop the skills they need to succeed in college and career.
   - The assessments include a series of tests that are aligned with the ELA framework.

7. Framework and Assessment:
   - The framework and assessments are designed to help students develop the skills they need to succeed in college and career.
   - The assessments include a series of tests that are aligned with the ELA framework.
8. English Language Learners (ELLs) are educated under the Individuals with Disabilities Education Act (IDEA)'s 3-8 or 3-8 Special Education.

- IDEA 3-8 or ELA three-language proficiency, English, Spanish, and Puerto Rican dialect. ELL or Puerto Rico ELA proficiency (the local language or the local dialect) is required.
- IDEA or bilingual education for students who are English Language Learners.

9. The Committee on Special Education (CSE) oversees the implementation of the IDEA's 3-8 Special Education.

- The Committee on Special Education (CSE) ensures that the IDEA is implemented.
- The Committee on Special Education (CSE) ensures that the IDEA is implemented.

10. The Special Education Committee (CSE) oversees the implementation of the IDEA's 3-8 Special Education.

- The Special Education Committee (CSE) ensures that the IDEA is implemented.
- The Special Education Committee (CSE) ensures that the IDEA is implemented.

11. 3-8 ELA proficiency in English Learners is required.

- ELA proficiency in English Learners is required.

12. 3-8 ELA proficiency in English Learners is required.

- ELA proficiency in English Learners is required.
- ELA proficiency in English Learners is required.
